“**“**我們**4.0**將在**2025**年實現。這將是一個非常艱巨的過程。我們必須確保我們的員工能夠適應這個過程。 ”

來自**KUKA**的**Martin Kuhnhen**表示。

A family consisting of a man, a woman, and two young children are gathered around a white humanoid robot. The robot has a large, glowing orange visor and is holding a tray with several small yellow objects. The man, wearing a pink shirt, is leaning over the robot, while the woman, in a blue shirt, is holding a green object. The children, a boy in a red shirt and a girl in a blue shirt, are also looking at the robot. The background shows a busy trade show environment with other booths and people.
